## Introduction

We have over 20 years experience in manufacturing cosmetic accessories. The main products include cosmetic organizers, jewelry trays and compact mirrors. They are made of GPPS and have various designs to meet customers' individual needs. We have production plant in mainland China, which covers 4,300 square meters floor area. There are 200 skilled workers employed in our factory. Our factory also has its own moulding department. With a sufficient workforce and advanced technology, our company is capable of producing the best products and providing great services.

## Contact information and equipment

Office Address : Flat B, 11/F., Glee Industrial Building, 77-81 Chai Wan Kok Street,  
Tsuen Wan, N.T, Hong Kong

Phone number : 852 2414 0911

Fax number : 852 2411 6761

email : [info@takpomfy.com](mailto:info@takpomfy.com)

Web site : <http://www.takpomfy.com>

Factory Address : Fung Ki Road, Ki Ling Village, Ping Hu Zone, Shenzhen, China

Phone number : 86 755 8401 3185

Fax number : 86 755 8401 3812

Labour Force : 200 workers

Construction : 5 storeys Building

Working area : 4,300 square meters

Equipment : Injection Machine x 24 sets

Spray Chamber x 8 sets

Spray Converyor with dryer x 1 set

Silkscreen printing converyor x 1set

Hot Stamp Machine x 5 sets

Converyor x 3 sets

Ultrasonic Welding machine x 6 sets

Blister heat sealing x 6 sets

High Frequency Welding x 1 set

Pad Printing x 5 sets

Milling Machine x 11 sets

EDM machine x 4 sets

Grinding Machine x 3 sets

Lathe x 1 set

Drill Machine x 2 sets

CNC router x 2 sets

CNC Machine Center x 3 sets
